## Welcome Home Native Carolinians.

### THE GREAT REUNION BEGINS TODAY

**Hundreds of Visitors Are Already Pouring Into the City--The Pulpits of Several of the Churches to be Filled by Distinguished Divines Who Are Native Non-Residents--Several Excursions from Indianapolis Reached Here Last Night--Tar Heels from all Over the Nation are Returning to the Land that Gave Them Birth**

Every train yesterday brought a number of non-resident North Carolinians to the city. The largest crowd reached here last night and most of them were from Indiana. Hundreds of people had gathered at the station last night to welcome those who were expected from distant states. The first large crowd came in on No. 35 which had two special cars loaded with excursionists from Indianapolis. The excursionist came on a special train of three cars from Indianapolis to Lynchburg, and there one of the cars was taken off and the two remaining cars were attached to No. 35. There were one hundred and fourteen who came in on No. 35. There was also a second crowd from Indianapolis of about fifty who came by the way of Knoxville and reached the city on the 10:30 train from the south.

Those who came in last night

WHAT THE FIRE BOYS ARE DOING TO HELP OUT THE FAIR AND REUNION NEXT WEEK.

Don't think because no mention of the fact has been made in the city papers from day to day, that the volunteer firemen of Greensboro are not alive to the importance of the success of the Central Carolina Fair and the reunion.

Firemen as a rule are a modest set of men, (except when they can render their fellow man a service in saving life and property), and are slow to blow their own horns but we are on deck, full of life and vigor, with both feet in the stirrups, and propose to contribute our mite towards making the occasion one that will be a credit and honor to the city of Greensboro and the Old North state.

With a view of doing our part, some

Hymn—Blest Be the Tie that Binds.

The Guilford Battle Ground is sacred to the memory of the noble men who jeopardized or gave their lives there that we might be free. It is in the keeping of all good people whose duty and privilege it is to be there as often as possible and who are most cordially welcomed always. Nevertheless parties present with food and drink for sale will occupy with their stands the usual places—that is the stands must be placed west of the railroad and north of the road leading to New Garden and they may be placed also east of the dirt road leading north from the railroad excepting from a point 60 feet north west of museum and thence north to Co's line. This is found to be necessary in order to protect the views of the monuments and grounds. Police and a magistrate will be present to enforce observance of terms and ordinances as usual. No liquor, beer or wine, no boisterous conduct nor advertising will be allowed.

"If you don't come you will be lonesome." Gov. Aycock, Attorney General Gilmer, Bill Liles and Jack Scott will be at the Knights of Pythias hall Monday night. All Pythians invited to be present.

The Alumni of the University of North Carolina will hold a Reunion in one of the rooms at the State Normal and Industrial College immediately after the entertainment to be given for the students at that college Monday night. All the resident Alumni are urged to be present and a cordial invitation is extended to the visiting Alumni.

It is hoped that this meeting will be

### THE CENTRAL CAROLINA FAIR

WILL BE THE LARGEST AND BEST YET HELD.

Grounds are in Fine Shape—Horses are Entered From Seven States and Over \$3,000 Offered in Purse—Poultry Show Will be a Feature There are Already Over 1,500 Entries.

It is agreed on all sides and from all quarters that the Fourth Annual Exhibition of the Central Carolina Fair is to be the biggest and best yet held. There are many reasons for this and to enumerate them would be without profit. It might be said, however, that the first reason is that the grounds are in better shape—the race track particularly having been graded so that spectators in the grand stand can see every foot of the race. Heretofore there was one stretch that was obscured—but now it is a clear track and a clear view. And while you can see the races this year Secretary King insists that many of them will be "out of sight." There are horses entered from seven different states and they are horses with records—the lowest being 2:10 1-4. There will be over \$3,000 offered in purses and of course this naturally makes a good attendance. Generally the best races have been held until the last two days, but this year it will start with one of the best and the best kept up during the week. Now if races were all to be seen—it would be different—and yet worth the time and money.

But amusements: There will be Boston's animal show; Carlisle's dog and pony show; Lunette the Flying Lady; Jones & Pierces' great exposition—a midway within itself with new and varied attractions, together with Ferris wheels and merry-go-rounds—enough to keep one busy and entertained no matter if he puts in several days at the fair. The free exhibition—or, at least the best free exhibition will

**JUST ONE A DAY****How the Coffee Crank Compromises His Health.**

Some people say: "Coffee don't hurt me" and then add: "Anyway I only drink one cup a day."

If coffee really don't hurt why not drink more? There is but one answer and that is coffee does hurt them and they know it. When they drink it once a day they compromise with their enemy. There are people whom one cup of coffee a day will put in bed, if the habit be continued.

"Although warned by physicians to let coffee alone I have always been so fond of it that I continued to use it," confesses an Ohio lady. "I compromised with myself and drank just one cup every morning until about six weeks ago.

"All the time I was drinking coffee I had heart trouble that grew steadily worse and finally I had such alarming sensations in my head (sometimes causing me to fall down) that I at last took my doctor's advice and quit coffee and began to use Postum Coffee in its place.

"The results have been all that the doctor hoped, for I have not only lost my craving for coffee and enjoy my good Postum just as well, but my heart trouble has ceased and I have no more dizzy spells in my head. I feel better in every way and consider myself a very fortunate woman to have found the truth about Postum." Name given by Postum Co., Battle Creek, Mich.

**A CURE FOR DYSPEPSIA.**

I had Dyspepsia in its worst form and felt miserable most all the time. Did not enjoy eating until after I used Kodol Dyspepsia Cure which has completely cured me.—Mrs. W. W. Saylor, Hilliard, Pa. No appetite, loss of strength, nervousness, headache, constipation bad breath, sour risings, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol. Kodol represents the natural juices of digestion combined with the greatest known tonic and reconstructive properties. It cleanses, purifies and sweetens the stomach. Sold by Howard Gardner.

**A SICK MAN**

Cannot Afford to be Skeptical Concerning  
My Method of Curing Disease.

He should carefully investigate all my claims before he forms an opinion as to the merits of my system. He is not serving his own best interests when he refuses to investigate, for no sick person can afford to remain sick when it is possible for him to be restored to a condition of perfect health. The cures that I have effected right here in Greensboro in the last few months are sufficient to convince any fair-minded person that my method is successful in overcoming disease. The fact that every one of these cases had been attended for a number of years by the best medical physicians of Guilford county with little or no benefit is indisputable evidence that my method is superior to drugs and medicine.

Within the last few months I have cured by my Life System one or more severe cases of the following named diseases: Lumbago, Intercostal Neuralgia, Rheumatism, Catarrh of the Stomach, Dyspepsia, Consumption, Bronchitis, Catarrh of the Nose and Throat, Hemorrhoids, Gastritis, Tumor, Chronic Constipation, Inflammation of the Bladder, Insomnia, both Nervous and Organic Heart Disease, Conjunctivitis, Astigmatism and a number of diseases peculiar to women.

I give below names and addresses of a few well-known people who recommend my system:

Mrs. M. F. Jeffries, 420 W. Bragg Street.  
Mr. R. J. Allen, 324 E. Bragg Street.  
Mrs. P. J. Crim, Winston-Salem.
